

Opportunities for you

You can apply to present or exhibit your art at many events. And you should.

Here's the list of some of the events. Ask your teachers how to apply; the procedure is different for each event.

Biela noc (Bratislava SK)

Biela noc offers visitors an unusual artistic walk through the city at night, full of experiences and new sensations, which lasts from sunset to sunrise. For one extraordinary weekend, night becomes day and the streets of the night city are filled with people and art.

Dates: May-August (submissions), September (event)

Media: Multimedia installations, interactive installations, light art

Location: Bratislava, Slovakia

Nocturno (Kremnica SK)

Like Biela noc, but smaller. Ask MediaLab for more details.

Art+VR (Prague CZ)

The festival brings together many forms of XR, from virtual reality and immersive installations to fulldome cinema and live performance. Alongside its international competition showcasing recent XR works, ART*VR presents curated programme sections that place immersive art within broader social and cultural contexts.

Dates: August (submissions), November (event)

Media: VR/XR/AR/MR

Location: Prague, Czech Republic
